# Power Supply
## For surveillance camera and infrared illuminator

| | |
|---|---|
| Article number | EM6060 |
| EAN code | 8716065247480 |
| Master carton | 100 |
| Casepack | 10 |

### OVERVIEW

- Power supply for surveillance camera and IR illuminator
- Easy plug, fits on all Eminent surveillance cameras
- Suitable for EM6025, EM6027, EM6029 and EM6058
- High efficiency switching power supply
- 2-Year warranty
- Accessible helpdesk

### TECHNICAL SPECIFICATIONS

- Output voltage: 12V DC
- Output current: 1000mA
- Input: 100..240V 50/60Hz
- Type: Switching power supply
- Suitable for: EM6025, EM6027, EM6029 and EM6058

**This Eminent Power supply EM6060 can be used to power Eminent surveillance products. The Eminent Power supply EM6060 fits perfectly for the Eminent surveillance cameras EM6025, EM6027 and EM6029. The EM6060 can also be used to power the EM6058 IR Illuminator.**

**High Efficiency**
The EM6060 Power supply uses switching-mode technology. This results in a high efficiency power supply that generates low heat. Also, the power supply has a low weight and small size.

Fits perfectly to power your Eminent surveillance products!
